

## Bell Ringer

## 9) Week 4 Vocabulary Part A

I have used 3 vocabulary words in a sentence. Use the context clues in each sentence to remember the definition and write it down. If you are still having trouble remembering, use your notes.

---

---

---

---

---

---

---

---

1. When bleach and ammonia are combined they create a gaseous **toxin** that is very poisonous and harmful.
2. If I am not **meticulous** in writing this paper, my teacher will mark my grade down for grammar errors. I have to edit it very carefully and pay attention to the grammar details.
3. The science teacher gets mad if her students ask about **irrelevant** topics. She only allows science related questions.

---

---

---

---

---

---

---

---

Now you write a context clues sentence for the following words: **Wane, Deign**

Make sure that you use words and phrases to give hints and clues about the definition of the word.

---

---

---

---

---

Time's up! Make  
sure you have your  
name and heading  
in the upper left  
hand corner of the  
page.
